

Fulton County District 5 News

Emma I. Darnell, J.D., Commissioner

Special Message on the Occasion the 81st Birthday of
Dr. Martin Luther King, Jr.

**There is nothing in all the world like Freedom
It is worth living for
It is worth dying for....**

**I would rather live in abject poverty and be free
Than to possess the world's riches
And lose my Self-Respect**

-Dr. Martin L. King, Jr.

A Day On- Not a Day Off!
