FULTON COUNTY BOARD OF COMMISSIONERS

DISTRICT 6

District 6 Task Force on Children and Youth Convenes Thursday, March 3, 2016

A meeting of the District 6 Task Force on Children and Youth (TFCY) to Reduce Juvenile Delinquency will be held Thursday, March 3, 2016 at the Fulton County South Service Center, 6:00 p.m. to 7:30 p.m.

Representatives of District 6 neighborhoods, civic organizations and residents will convene to develop an evidence-based Plan of Action to mitigate and reduce generational trends of unhealthy/criminal behavior among Fulton County's youth and young adults.

Called the "Cradle-to-Career" Program, County staff will present potential strategies and outcomes such as jobs and job training for *today's* workforce needs and skill requirements for review and recommendation.

"We have talked the talk concerning the children long enough," stated Commissioner Emma I. Darnell. "Now it is time to walk the walk—to set attainable goals and reach them: If not now, *when?* Together, in partnership with the faith community, the schools, the private sector and others—we can GET IT DONE!"
